(4) The Commission has adopted a Pre-Accession Assistance (‘IPA III’) Programming Framework\(^7\) for the period 2021 – 2027, which identifies five thematic windows for the delivery of the specific objectives and thematic priorities of Regulation (EU) 2021/1529. The Commission adopted a comprehensive Economic and Investment Plan for the Western Balkans which aims to spur the long-term economic recovery of the region, support a green and digital transition, foster regional integration and convergence with the European Union\(^8\).

(5) The objectives pursued by the multiannual action plan should provide assistance for actions addressing issues of regional nature, or when a regional approach will allow for greater efficiency in two thematic windows in line with the IPA III Programming Framework: (thematic window 3) Green agenda and sustainable connectivity; and (thematic window 4) Competitiveness and inclusive growth.

These contributions will help to replenish the accumulated provisioning towards its target level, in accordance with the rules set out in Regulation 480/2009/EU.
