COMMISSION IMPLEMENTING DECISION

of 21.12.2021

on the financing of the individual measure to support migration and border management in Turkey

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2021/1529 of the European Parliament and of the Council of 15 September 2021 establishing theInstrument for Pre-Accession Assistance (IPA III)² and in particular Article 9(1) thereof,

Whereas:

(1) In order to ensure the implementation of the individual measure to support migration and border management in Turkey, it is necessary to adopt an annual financing decision, which constitutes the annual work programme, for 2021. Article 110 of Regulation (EU, Euratom) 2018/1046 establishes detailed rules on financing decisions.

(2) The envisaged assistance is to comply with the conditions and procedures set out by the restrictive measures adopted pursuant to Article 215 TFEU³.

(3) The measure is part of the mobilisation of EUR 3 billion for the period 2021-2023 to support refugees and host communities in Turkey, as follow-up to the European Council conclusions of June 2021. It will build upon the work carried out under the Facility for Refugees in Turkey, which is a key component of the EU-Turkey Statement of March 2016. The measure therefore aims to support the safe and dignified transfer of irregular migrants and Syrians under Temporary Protection and ensure their access to accommodation and quality services. Furthermore, it will strengthen the country’s efforts for the promotion of regular migration and increase the capacity of coordinated border management services at its airports.

In case of discrepancy between the published legal acts and the updates on the website it is the OJ version that prevails.
Pursuant to Article 23(3) of Regulation (EU) 2021/947\(^4\) applicable pursuant to Article 9(1) of Regulation (EU) 2021/1529, the adoption of this individual measure is justified because it constitutes a distinct critical intervention earmarked for migration and border management, in view of the continued need to manage refugee flows and to alleviate pressure on European borders, while preventing loss of life.

The objectives pursued by the measure are to support Turkey in progressing on alignment with the EU acquis and to improve Turkey’s institutional capacity as regards Chapter 24 of the acquis. The objective of the action entitled ‘Home Affairs – EU support to migration and border management,’ is to improve, in light of a gender-based assessment, the management of removal centres’ reception and hosting of irregular migrants. The action will also support the efforts of the Turkish Presidency of Migration Management (PMM) (previously as Directorate General for Migration Management (DGMM)) to manage migration through effective implementation of Turkey’s Strategy Document and National Action Plan on Irregular Migration (2021-2025) and to promote regular migration. In addition, the action will improve inter-agency cooperation and increase the capacity of migration and border management agencies operating at airports in a sustainable manner.

It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.

Pursuant to Article 26(1) of Regulation (EU) 2021/947 applicable pursuant to Article 9(1) of Regulation (EU) 2021/1529, indirect management is to be used for the implementation of part of the measure.

The Commission is to ensure a level of protection of the financial interests of the Union with regards to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of Regulation (EU, Euratom) 2018/1046.

To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of Regulation (EU, Euratom) 2018/1046 and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) of Regulation (EU, Euratom) 2018/1046 before a contribution agreement can be signed.

It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.

In order to allow for flexibility in the implementation of the measure, it is appropriate to allow changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.

The measure provided for in this Decision is in accordance with the opinion of the IPA III Committee set up by Article 17 of Regulation (EU) 2021/1529.
