COMMISSION IMPLEMENTING DECISION

of 14.6.2023

amending Implementing Decision C(2021) 9749 final as regards the action ‘EU contribution to Sustainable Transport Connectivity in the Western Balkans 2021-2027’

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 2021/1529 of the European Parliament and of the Council of 15 September 2021 establishing the Instrument for Pre-Accession Assistance (IPA III), and in particular Article 9(1) thereof,

Whereas:

(1) By Implementing Decision C(2021)9749 final, the Commission adopted the financing of the multi-country multiannual action plan in support of the Western Balkans Investment Framework 2021-2027 and the provisioning of the External Lending Mandate legacy portfolio for past European Investment Bank operations for IPA beneficiaries including three actions.

(2) A substantial amendment to Implementing Decision C(2021)9749 final was adopted on 30 November 2022 - C(2022)8942 final, in order to reallocate funds within the Annex 1 - action ‘EU contribution to the Western Balkans Investment Framework (WBIF) 2021-2023’ and decrease the budget related to the action (allocation 2022) as well as to widen the list of implementation modalities.

(3) In Annex 2 to Implementing Decision C(2021)9749 final, it is necessary to modify the action ‘EU contribution to Sustainable Transport Connectivity in the Western Balkans 2021-2027’ and decrease the budget allocation of the years 2023 and 2024, by EUR 60 000 000 and EUR 130 000 000, respectively; and increase the budget allocation of the years 2026 and 2027, by EUR 70 000 000 and EUR 120 000 000, respectively. This will free IPA annual allocations to cater for additional priorities, especially in the field of migration management. At the same time such adjustment will provide a better match of the actual needs for financing of transport investment projects.

(4) Therefore, Implementing Decision C(2021)9749 final should be amended accordingly.

3 Commission Implementing Decision C(2021) 9749 final of 16 December 2021 on the financing of the multi-country multiannual action plan in support of the Western Balkans Investment Framework 2021-2027 and the provisioning of the ELM legacy portfolio for past EIB operations for IPA beneficiaries.
(5) The proposed assistance is to comply with the conditions and procedures set out by the restrictive measures adopted pursuant to Article 215 TFEU.4

(6) The amendment set out in this Implementing Decision is in accordance with the opinion of the IPA III Committee,
