IN FIGURES

260 new projects funded reaching more than **600 organisations**

EXAMPLES FROM THE COUNTRIES

BELARUS

Improving the livelihoods of vulnerable mothers and children in the rural areas by offering them business training. Development centres have been opened in 12 locations and €180,000 has been given out as grants to local initiatives.

UKRAINE

Supporting the Kyiv Cyclists' Association that works to strengthen the voice of cyclists and to promote cycling as a sustainable, safe and fun way of transportation in the cities.

REPUBLIC OF MOLDOVA

Developing specialised services for people with disabilities in partnership with local authorities in six Moldovan regions.

AZERBAIJAN

Training women business leaders, who have expanded their businesses, set-up new ones, applied for loans and run in local elections.

GEORGIA

Improving healthcare, education and development opportunities for mothers and children in the Kakheti region in Akhmeta. The project offers after-school programmes and social support to vulnerable families.

ARMENIA

Developing an innovative anti-corruption mobile game together with the TUMO digital learning centre. The game demonstrates the effects of corruption, encourages social engagement and activism.

ACROSS THE REGION

EASTERN PARTNERSHIP CIVIL SOCIETY FACILITY

EU funded project supporting civil society organisations

- Awards grants to key civil society organisations
- Provides e-learning courses and webinars, organises hackathons, develops new online tools
- Offers Civil Society Fellowships to young people to train policy analysts and future leaders
