conferring management powers relating to Component I - Transition Assistance and Institution Building of the Instrument for Pre-Accession Assistance (IPA) on Serbia

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1085/2006 of 17 July 2006 establishing an Instrument for Pre-Accession Assistance (IPA)¹,

Having regard to Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 on the Financial Regulation applicable to the general budget of the European Communities³, and in particular Article 53c thereof,

Whereas:

(1) Regulation (EC) No 1085/2006 lays down the objectives and main principles for pre-accession assistance to candidate countries and potential candidates for the period from 2007 to 2013, and confers the responsibility for its implementation to the Commission.

(2) Regulation (EC) No 1085/2006 continues to govern on the substance legal acts and commitments made up until 31 December 2013.

(3) Articles 11 and 14 of Regulation (EC) No 718/2007 give the Commission the possibility to confer management powers to the beneficiary country and define the requirements for such conferral including \textit{ex ante} controls, if any.

(4) In particular, for such a conferral, the conditions laid down in Articles 53c and 56(2) of Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002, which continue to apply to commitments made up to 31 December 2013 in accordance with Article 212 (a) of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002⁴, must be fulfilled.

(5) The Framework Agreement on the rules for co-operation concerning EU financial assistance to Serbia in the framework of the implementation of the assistance under the Instrument for Pre-Accession Assistance (IPA) between the Government of Serbia and the European Commission entered into force on 29 November 2007.

¹ OJ L 210, 31.7.2006, p. 82.
(6) The Competent Accrediting Officer (CAO) notified the Commission on 14 June 2012 of the accreditation of the National Authorising Officer in accordance with Article 12(3) of Regulation (EC) No 718/2007.

(7) The National Authorising Officer (NAO) notified the Commission on 14 June 2012 of the accreditation of the operating structure in charge of the management and implementation of the Transition Assistance and Institution Building component of the IPA in accordance with Article 13(3) of Regulation (EC) No 718/2007.

(8) Pursuant to Article 14 of Regulation (EC) No 718/2007, the accreditations referred to in Articles 12 and 13 of Regulation (EC) No 718/2007 have been reviewed and the procedures and structures of the bodies and authorities concerned, as set out in the application submitted by the Competent Accrediting Officer and the National Authorising Officer, have been examined, including by on-the-spot verifications.

(9) Serbia's compliance with the requirements of Article 56(2) of Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 and Article 11 of Regulation (EC) No 718/2007 has been assessed.

(10) In response to this assessment, the National Authorising Officer confirmed that Serbia accepts its conclusions and agrees to comply with them.

(11) It is therefore appropriate for the Commission to confer management powers relating to the Transition Assistance and Institution Building component of the IPA on Serbia for the National Programme for Transition Assistance and Institution Building for 2013, adopted by Decision C(2013)9450 of 18/12/2013.

(12) Pursuant to Article 14 of Regulation (EC) No 718/2007, the Commission will exercise ex ante controls on the tendering of contracts, launch of calls for proposals and the award of contracts and grants for a limited period of time.

(13) Pursuant to Article 18 of Regulation (EC) No 718/2007, decentralisation without ex ante controls is the objective for the implementation of the IPA on a decentralised basis.

(14) The complete dispensing of ex ante controls under the Transition Assistance and Institution Building component of the IPA should be decided by the Authorising Officer by Delegation when he/she is satisfied that the requirements set out in Article 18 of Regulation (EC) No 718/2007 are met.
