### **Twinning: Application of new per diem rates as from 07 July 2008**

We would like to confirm the most recent adjustment of the maximum per diem rates paid to experts on mission undertaken in the course of an EC funded contract as published by Directorate General AIDCO at the following website address:

[http://ec.europa.eu/europeaid/work/procedures/implementation/per\\_diems/documents/perdiem\\_07\\_2008.pdf](http://ec.europa.eu/europeaid/work/procedures/implementation/per_diems/documents/perdiem_07_2008.pdf).

These new maximum rates are valid for missions undertaken **as from 07 July 2008** as explained below.

Please find herewith for your easy reference the list with the adjusted rates specifically compiled for all new Member States, Candidate Countries and Western Balkan countries which may be beneficiaries of Twinning assistance.

It should be noted that the specific per diem rates as published by AIDCO represent a maximum amount. Lower per diem fees may be applied, in particular for activities outside major cities.

For Twinning projects in Turkey, the arrangement announced in the letter of Mr Meganck of 14 November 2006 remains valid: **the per diem for Istanbul will continue to apply to all Twinning projects in Turkey rather than the per diem for Ankara.**

As shown in the attached revision table, this gives **122€ as per diem for Turkish twinning projects** rather than 93€ as adjusted per diem for Ankara.

The new per diem rates apply to all missions undertaken by short and medium term Member State experts including the Project leader for all Twinning contracts as from 07 July 2008.

The common Twinning manual in both versions of 2005 and 2007 clearly provides under the same section 5.6.2 that the date of the mission determines the rate applicable and the relevant provision even clarifies that the rate can therefore vary over the lifetime of a Twinning project.

Please remember that the subsistence allowance of Resident Twinning Advisors mentioned in twinning covenants/contracts notified **after 1 January 2004** should not at this stage be affected by the update of the AIDCO per diem rates. Indeed the common Twinning manual (in both versions of 2005 and 2007 respectively ) provides in the already mentioned section 5.6.2 that the applicable rate of the subsistence allowance is fixed at the time of the signature of the Twinning contract for its entire duration. It is not subject to revision during the lifetime of the project.

Please do not hesitate to contact the Twinning Co-ordination team in Brussels should you or your staff require additional information or assistance on the applicable per diem.
