

A NEW UKRAINE FACILITY

Recovery, Reconstruction, Modernisation of Ukraine

#StandWithUkraine

June 2024

The European Union stands united in its unwavering support of Ukraine in the face of Russia’s unprovoked and unjustified aggression and the illegal annexation of Ukrainian territory by the Russian Federation.

The EU is committed to help Ukraine resist this aggression, support Ukraine’s financing needs and to play a **major role in Ukraine’s recovery, reconstruction and modernisation** towards a green, digital, and inclusive economy.

The EU is equally engaged in supporting reforms that will **foster Ukraine’s EU accession path**.

The Ukraine Facility, which entered into force on 1 March 2024, **is the EU’s tool for these efforts**.
