COMMISSION IMPLEMENTING DECISION

of 14.10.2015

on the Annual Action Programme 2015 and Annual Action Programme 2016 part 1 in favour of Jordan to be financed from the general budget of the European Union

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 236/2014 of the European Parliament and of the Council of 11 March 2014 laying down common rules and procedures for the implementation of the Union's instruments for financing external action¹ and in particular Article 2(1) thereof,

Having regard to Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002², and in particular Article 84(2) thereof,

Whereas:

(1) The European Commission has adopted the Single Support Framework for Jordan for the period 2014-2017³, points 2 and 3 of which provide for the following priorities: “Employment and Private Sector Development” and “Renewable Energies and Energy Efficiency”.

(2) The objectives pursued by the Annual Action Programmes to be financed under the European Neighbourhood Instrument⁴ are to: i) increase incomes and employment, promote women and youth social economic inclusion and facilitate economic development in disadvantaged regions; ii) contribute to the development and implementation of effective policies that would help Jordan reach its renewable energy and energy efficiency targets.

(3) The Action entitled “EU Support to the Private Sector Development in Jordan” aims at increasing the productivity and competitiveness of micro, small and medium enterprises and domestic and foreign investment, through a dual approach, i.e. budget support to the government to create an enabling business environment and project support and technical assistance to business services for improving their ability to deliver adequate services to Jordanian companies.

(4) The Action entitled “Renewable Energy and Energy Efficiency Programme in Jordan (REEE II)” aims at complementing the relevant institutional, legislative and fiscal reforms, creating an enabling environment to mobilise public and private actors, in order to progress towards the goals of 10% renewable energy and 20% of energy savings by 2020 (principally through budget support incentives).

It is necessary to adopt a financing decision the detailed rules of which are set out in Article 94 of Commission Delegated Regulation (EU) No 1268/2012.

It is necessary to adopt a work programme for grants, the detailed rules on which are set out in Article 128(1) of Regulation (EU, Euratom) No 966/2012 and in Article 188(1) of Delegated Regulation (EU) No 1268/2012. The work programme is constituted by the Annex 1 (section 5.4.1) and Annex 2 (section 5.4.1).

The Commission should entrust budget-implementation tasks under indirect management to the entities specified in this Decision, subject to the conclusion of a delegation agreement. In accordance with Article 60(1) and (2) of Regulation (EU, Euratom) No 966/2012, the authorising officer responsible needs to ensure that these entities guarantee a level of protection of the financial interests of the Union equivalent to that required when the Commission manages Union funds. The European Bank for Reconstruction and Development (EBRD) is currently undergoing the assessment under Regulation (EU, Euratom) No 966/2012. In anticipation of the results of this review, the authorising officer responsible deems that, based on the entity’s positive assessment under Council Regulation (EC, Euratom) No 1605/2002 and on the long-standing and problem-free cooperation with it, budget-implementation tasks can be entrusted to this entity.

It is necessary to allow the payment of interest due for late payment on the basis of Article 92 of Regulation (EU, Euratom) No 966/2012 and Article 111(4) of Delegated Regulation (EU) No 1268/2012.

Pursuant to Article 94(4) of Delegated Regulation (EU) No 1268/2012, the Commission should define changes to this Decision which are not substantial in order to ensure that any such changes can be adopted by the authorising officer responsible.

The measures provided for in this Decision are in accordance with the opinion of the European Neighbourhood Instrument Committee set up by Article 15 of the financing instrument referred to in recital 2,
