COMMISSION DECISION

of 22/12/2008

approving the Special Measure "Libyan-EU Partnership for Infectious Disease Control" in favour of Libya to be financed under Article 19 08 01 of the general budget of the European Communities

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to the Regulation (EC) n°1638/2006 of the European Parliament and of the Council of 24 October 2006 laying down general provision establishing a European Neighbourhood and Partnership Instrument (ENPI), and in particular Article 13 thereof,

Whereas:

(1) The relations between the EC and Libya have not so far allowed the development of a strategy paper or a multi-annual indicative programme for Libya;

(2) A memorandum was signed by the Commission and the Libyan authorities on 23 July 2007 laying down the elements for future relations with Libya, in which the Commission announced that it would upgrade the Benghazi Centre for Infectious Diseases and Immunology so that it becomes a centre of excellence at regional level in continuation of the HIV-AIDS Action Plan for Benghazi started by the European Commission in 2005. The funds committed by the EU for this Action Plan will soon be fully used and it is now urgent to commit new funds for this project in order to ensure the continuity of operations and consolidate the results already obtained;

(4) It is appropriate to define the term “substantial change” in the meaning of Article 90 (4) Regulation (EC, Euratom) No 2342/2002 for the application of this decision;

The Member States (ENPI Committee) and the European Parliament will be informed after adoption of the decision by the Commission in accordance with Article 13.4 of Regulation (EC) No 1638/2006,

HAS DECIDED AS FOLLOWS:

Within the maximum indicative budget of the above-mentioned action, cumulated changes not exceeding 20% of the maximum contribution of the Community are not considered to be substantial provided that they do not significantly affect its nature and objectives.
