COMMISSION IMPLEMENTING DECISION

of 28.7.2016

adopting a Special Measure on education, health, municipal infrastructure and socio-economic support to refugees in Turkey, to be financed from the General Budget of the European Union for the years 2016 and 2017

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 236/2014 of the European Parliament and of the Council of 11 March 2014 laying down common rules and procedures for the implementation of the Union's instruments for financing external action ¹ and in particular Article 2(1) thereof,

Whereas:

(1) Regulation (EU) No 231/2014 ³ lays down the objectives and main principles for pre-accession assistance to beneficiaries listed in Annex I to that Regulation.

(2) Regulation (EU) No 236/2014 lays down the rules and conditions for special measures under the Instrument for Pre-Accession Assistance (IPA II).

(3) The EU and Turkey are committed to tackling the migration challenges in a concerted manner. On 15 October 2015, the European Council agreed to increase EU political and financial engagement to support Turkey in hosting more than 2.7 million refugees. In response, the Commission has established the Facility for Refugees in Turkey coordinating a mobilised amount of EUR 3 billion ⁴. The overall objective is to coordinate and streamline actions financed from the Union's budget and bilateral contributions from Member States in order to enhance the efficiency and complementarity of support provided to refugees and host communities in Turkey. The Facility is established as from 1 January 2016 for financial contributions under the budgetary years 2016 and 2017.

(4) During the third Steering Committee meeting for the Facility held on 30 June 2016 large consensus emerged from Member States around the necessity to support the efforts of Turkey in providing access to compulsory education and health care to Syrian refugees including through the construction of adequate infrastructure, to promote socio-economic development and improve municipalities infrastructure following the influx of substantial numbers of refugees. All EU instruments and

implementing modalities currently used in response to the Syrian crisis, may contribute to the Facility.

(5) It is appropriate to authorise the award of grants without a call for proposals to the bodies identified in the Annex and for the reasons provided therein. It is also appropriate to foresee the retroactivity of eligibility of expenditures for the Action related to access to compulsory education in order to avoid disruption of school attendance.

(6) The Commission should be able to entrust budget-implementation tasks under indirect management to the entities specified in this Decision, subject to the conclusion of a delegation agreement. In accordance with Article 60(1) and (2) of Regulation (EU, Euratom) No 966/2012, the authorising officer responsible needs to ensure that these entities guarantee a level of protection of the financial interests of the Union equivalent to that required under Regulation (EU, Euratom) No 966/2012, when the Commission manages Union funds.

EIB and AFD comply with the conditions of points (a) to (d) of the first subparagraph of Article 60(2) of Regulation (EU, Euratom) No 966/2012 and the supervisory and support measures are in place as necessary.

CEB complies with the conditions of points (a) to (d) of the first subparagraph of Article 60(2) of Regulation (EU, Euratom) No 966/2012 and the supervisory and support measures are in place as necessary, except for grants and financial instruments.

WBG, which includes IFC, complies with the conditions of points (a) to (d) of the first subparagraph of Article 60(2) of Regulation (EU, Euratom) No 966/2012 and the supervisory and support measures are in place as necessary, except for procurement, sub-delegations and financial instruments.

EBRD and KfW are currently undergoing the assessment under Regulation (EU, Euratom) No 966/2012. In anticipation of the results of this review, the authorising officer responsible deems that, based on the entities' positive assessment under Regulation (EU, Euratom) No 1605/2002 and on the long-standing and problem-free cooperation with them, budget implementation tasks can be entrusted to these entities, with the exception of the tasks related to grants, financial instruments and sub-delegations in the case of EBRD, and the tasks related to financial instruments and sub-delegations in the case of KfW, for which these institutions were not positively assessed under the Regulation (EU, Euratom) No 1605/2002.

(7) The Actions under the present Special Measure are co-ordinated by the Facility for Refugees in Turkey.

(8) It is appropriate to authorise the award of grants without a call for proposals to the bodies identified in the Annex and for the reasons provided therein. It is also appropriate to foresee the retroactivity of eligibility of expenditures for Action 1 from the date of the submission of the proposal.

(9) The Commission adopted a Decision\(^5\) for the establishment of the European Union Regional Trust Fund in response to the Syrian crisis (the "Trust Fund") for a duration of 60 months. The Trust Fund will pursue its objectives through the pooling of resources of the existing but often scattered capacities of donors and agencies to analyse, identify and implement high-impact projects in the region. These pooled

capacities will make a direct contribution to the identification of actions to be implemented in Turkey, Lebanon, Jordan, Iraq and Egypt, as well as inside Syria, that will be presented to all contributors to the Trust Fund as part of a diversified portfolio. All financial contributions of the Union will comply with the scope of the relevant financial instruments contributing to it.

(10) It is necessary to adopt a financing decision, the detailed rules of which are set out in Article 94 of Commission Delegated Regulation (EU) No 1268/2012.  

(11) The maximum contribution of the European Union set by this Decision should cover any possible claims for interest due for late payment on the basis of Article 92 of Regulation (EU, Euratom) No 966/2012 and Article 111(4) of Delegated Regulation (EU) No 1268/2012. 

(12) Pursuant to Article 94(4) of Delegated Regulation (EU) No 1268/2012, the Commission should define changes to this Decision which are not substantial in order to ensure that any such changes can be adopted by the authorising officer responsible. 

(13) The Special Measure provided for by this Decision is in accordance with the opinion of the IPA II Committee set up by Article 13 of Regulation (EU) No 231/2014.
